## MAILING INSTRUCTIONS:

NEW BIDDER REFERENCES:

Welcome to the Ninety-seventh NEGEV HOLYLAND AUCTION.
Due to popular demand, I have resumed the LOW-PRICED SECTION. The START PRICE is under $\$ 40$. Again, these are sold AS IS - NO RETURNS. There is no commission, but shipping and the Credit Card / Pay Pal surcharge will apply.

Please check the BRITISH MANDATE: STATIONERY. There are many SPECIMEN overprints.
When sending your bids by e-mail or the web site please include your full name, address, and a phone-number. I have some clients with similar names. If you do not have a full name, address, and a phone-number on your e-mail bids, I will ask for them and not enter the bids until I get that information. Thanks.

If calling me, please use the cell phone (609-456-9508). I get so many robocalls on the house phone that I do not normally answer it. Thanks.

## Some of the books and catalogues \& books used in the compilation of this sale:

## PHOTOCOPY SERVICE

COLOR computer scan of any lot are available upon request. If possible, these will be sent via e-mail as JPG files. Though there is no charge for a reasonable number of scans, please include a couple of dollars to cover postage and/or handling costs. There will be a charge for larger items and lots with multiple items.

On the photo pages, please note that "CR" indicates that the item was cropped, and "EX" means that the item shown is an example of the items in the lot. These are NOT indicated on the web site. In the text "PHW" indicates that the photo is only on the web site or that more of a lot is on the web site.

## BIDDING INCREMENTS

| FROM | TO | INCREMENT |
| :--- | :--- | :--- |
| $\$ 25$ | $\$ 50$ | $\$ 1$ |
| $\$ 50$ | $\$ 150$ | $\$ 5$ |
| $\$ 150$ | $\$ 300$ | $\$ 10$ |
| $\$ 300$ | $\$ 1000$ | $\$ 25$ |
| $\$ 1000$ | Up | $\$ 50$ |

Bids not in compliance with these increments will be reduced to the appropriate amount.
The increment option is "a number of bidding increments" and not a percentage. You can specify from 1 to 5 increments. Be aware, however, for this scenario: Let us say that you bid $\$ 270$ on a lot and state to "increase my bids by 5 increments to secure the lot". At $\$ 270$, the bidding increments are $\$ 10$. I will go $\$ 270, \$ 280, \$ 290$, and $\$ 300$ - using three of the five increments. At $\$ 300$ the bidding increments now become $\$ 25$. So, I will then go $\$ 325$ and $\$ 350$ using the last two allotted increments. So, please be careful as what you bid $\$ 270$ on may very well cost you $\$ 350$ plus the commission.

## TERMS OF SALE / BIDDER INFORMATION

01.1) You may mail bids to Button Stamp Co., Inc., Attn. Sid Morginstin, PO Box 8101, Trenton, NJ 08650 (U.S.A.)
01.2) You may e-mail bids to LEADSTAMP@VERIZON.NET.. Please do not send file attachments, as they will be ignored.
01.3) You may also FAX bids to 609-291-8438 (be careful - there is a local store with a similar number). Please print very clearly as some faxes are hard to read.
01.4) You may phone your bids to 609-456-9508. If you should get the answering machine, please leave a message with your name and full phone number and state when you can be called back. Please do not leave your bids on the answering machine.
Phone bids should be followed by written confirmation.
01.5) Overseas clients are urged to send their bids via Airmail, fax, or via e-mail.
01.6) If you are acting as an agent or bidding on behalf of another person, please write the word "AGENT" on the bid sheet. You need not reveal the name(s) of the person(s) for whom you are bidding, but you will be personally responsible for the bids you have made.
02.1) All bids must be in US Dollars.
02.2) No Lot shall be offered or bid accepted at less than the printed START PRICE.
02.3) Bids not in conformance with the bidding increments as stated in the catalogue will be reduced to the next lowest acceptable level.
02.4) Please note how automatic increases are handled, as described in the introduction.
02.5) "OPEN" or "BUY" bids are not accepted. Please bid your limit.
02.6) The highest bidder will be the purchaser at one bidding increment over the next highest bidder. In the case of two or more equal bids, the first bid received will be deemed the successful bid.
02.7) You may call to ascertain the status of your bid. You will be given the OPENING BID, that is, the price at which the lot would be sold for if there are no further bids. You will not be given the current high bid. Please note that the opening bid is subject to change as all bids may not yet have been entered into the bid book. You will not be called back.
03.1) All Lots are described by Negev Holyland Stamps and/or the vendor with the greatest possible care. Descriptions provided by the vendor are spot checked for accuracy, but Holyland Auctions is not responsible for inaccurate descriptions supplied by independent vendors. Lots are returnable if they do not match the descriptions, but Button Stamp Co., Inc. is only responsible for refunds of payments it has received for any lots that are returned.
03.2) Lots are believed to be genuine unless described otherwise; however, this is not to be taken as a literal statement of fact or a guaranty by Negev Holyland Auctions, it is the opinion of the Auctioneer/Vendor.
03.3) If, for any reason a Lot is believed by the purchaser to be not as described, it must be returned within 10 (ten) days of the invoice date. The reason for the return must be clearly stated. Obvious typographical errors and normal opening tears on covers are not reasons for return. Nor are some hinged stamps in a collection of stamps described as never hinged.
03.4) If a buyer wishes to obtain a Certificate for any item, he/she must notify us in writing of his/her request. The onus is on the buyer to obtain and to pay for the Certificate. If the item is found to be not genuine or incorrectly described, Negev Holyland Stamps will accept it back, provided that it is received back within 15 days of the original invoice date and in the same condition as when it was sent. Extensions for obtaining certificates may be granted.

05.3) Clients residing outside of the USA are responsible for all applicable taxes and Custom duties. Your invoice will be mailed separately from the material. For larger packages, the post office may require a CUSTOMS LABEL.
5.3.1) Shipments with an actual value of over $\$ 200$ will be sent via REGISTERED AIR MAIL with $\$ 100$ on the custom's label, others will be sent by regular AIRMAIL with a value of $\$ 50$ on the label..
05.4) For clients residing in the USA: Shipments with a value between $\$ 200$ and $\$ 1,000$ will be sent by CERTIFIED MAIL. Shipments with a value over $\$ 1,000$ will be sent by REGISTERED MAIL.

06.2) Unless the shipment is large, there are no handling fees.
07.1) Payment for Lots must be made promptly after receipt of the Lots. Any account unpaid after 30 days of invoice date will be charged interest at the rate of $1 \%$ per month from the invoice date unless previous arrangements have been confirmed.
07.2) You may pay by Personal check, Money Orders, Western Union, Bank draft, or bank/wire transfer, PAYPAL, VISA, MASTER CARD, or AMERICAN EXPRESS CARDS. Payments MUST be in US Dollars. (Full payment details, including bank/wire transfer information, will be sent with the invoice.)
