NEW BIDDER REFERENCES:

Welcome to the ONE HUNDRED FIRST NEGEV HOLYLAND AUCTION.

This is a special CLEAN OUT THE STOREROOM SALE. My wife and I are planning to move to a 55 Plus community by the end of 2024. There will be much less room for my stock. I will continue these auctions, E-BAY and HIP STAMP sales, and selected shows.

There are multiple parts to the sale:

- 01 Regular auction. These are lots 001 thru 334.
- 02 Low priced lots as well as collections and accumulations. These are lots 401 thru 491. The collections are priced well below retail. Please note that postage may be high. As usual there is no commission on these lots and that they are sold AS IS – NO RETURNS.
- 03 NO START -- BEST OFFER. These are lots 1001 thru 1275. No reasonable offer will be declined. By "reasonable" I mean: if you offer 50% of the price listed I may very well decline. If you offer 75% of the price listed for 10 or more items, I may very well accept the offer. Commission will be added.

VITAL NOTE: My wife and I will be away FEBRUARY 16 thru MARCH 01. I will have limited access to e-mail. You may still send in bids.

BIDDING INCREMENTS

FROM	TO	INCREMENT
\$25	\$50	\$1
\$50	\$150	\$5
\$150	\$300	\$10
\$300	\$1000	\$25
\$1000	Up	\$50

Bids not in compliance with these increments will be reduced to the appropriate amount.

The increment option is "a number of bidding increments" and not a percentage. You can specify from 1 to 5 increments. Be aware, however, for this scenario: Let us say that you bid \$270 on a lot and state to "increase my bids by 5 increments to secure the lot". At \$270, the bidding increments are \$10. I will go \$270, \$280, \$290, and \$300 – using three of the five increments. At \$300 the bidding increments now become \$25. So, I will then go \$325 and \$350 using the last two allotted increments. So, please be careful as what you bid \$270 on may well cost you \$350 plus the commission.

TERMS OF SALE / BIDDER INFORMATION

- 01.1) You may mail bids to Button Stamp Co., Inc., Attn. Sid Morginstin, PO Box 8101, Trenton, NJ 08650 (U.S.A.).
- 01.2) You may e-mail bids to LEADSTAMP@VERIZON.NET. Please do not send file attachments, as they will be ignored.
- 01.3) You may also FAX bids to 609-291-8438 (be careful - there is a local store with a similar number). Please print very clearly as some faxes are hard to read.
- 01.4) You may phone your bids to 609-456-9508. If you should get the answering machine, please leave a message with your name and full phone number and state when you can be called back. Please do not leave your bids on the answering machine. Phone bids should be followed by written confirmation.
- 01.5) Overseas clients are urged to send their bids via Airmail, fax, or via e-mail.
- 01.6) If you are acting as an agent or bidding on behalf of another person, please write the word "AGENT" on the bid sheet. You need not reveal the name(s) of the person(s) for whom you are bidding, but you will be personally responsible for the bids you have made.
- 02.1) All bids must be in US Dollars.
- 02.2) No Lot shall be offered or bid accepted at less than the printed START PRICE.
- 02.3) Bids not in conformance with the bidding increments as stated in the catalogue will be reduced to the next lowest acceptable level.
- 02.4) Please note how automatic increases are handled, as described in the introduction.
- 02.5) "OPEN" or "BUY" bids are not accepted. Please bid your limit.
- 02.6) The highest bidder will be the purchaser at one bidding increment over the next highest bidder. In the case of two or more equal bids, the first bid received will be deemed the successful bid.
- 02.7) You may call to ascertain the status of your bid. You will be given the OPENING BID, that is, the price at which the lot would be sold for if there are no further bids. You will not be given the current high bid. Please note that the opening bid is subject to change as all bids may not yet have been entered into the bid book. You will not be called back.
- 03.1) All Lots are described by Negev Holyland Stamps and/or the vendor with the greatest possible care. Descriptions provided by the vendor are spot checked for accuracy, but Holyland Auctions is not responsible for inaccurate descriptions supplied by independent vendors. Lots are returnable if they do not match the descriptions, but Button Stamp Co., Inc. is only responsible for refunds of payments it has received for any lots that are returned.
- 03.2) Lots are believed to be genuine unless described otherwise; however, this is not to be taken as a literal statement of fact or a guaranty by Negev Holyland Auctions, it is the opinion of the Auctioneer/Vendor.
- 03.3) If, for any reason a Lot is believed by the purchaser to be not as described, it must be returned within 10 (ten) days of the invoice date. The reason for the return must be clearly stated. Obvious typographical errors and normal opening tears on covers are not reasons for return. Nor are some hinged stamps in a collection of stamps described as never hinged.
- 03.4) If a buyer wishes to obtain a Certificate for any item, he/she must notify us in writing of his/her request. The onus is on the buyer to obtain and to pay for the Certificate. If the item is found to be not genuine or incorrectly described, Negev Holyland Stamps will accept it back, provided that it is received back within 15 days of the original invoice date and in the same condition as when it was sent. Extensions for obtaining certificates may be granted.
